

PROFESSIONAL DEVELOPMENT: THE COMPANY

GROWTH AS A UNIT AND AS INDIVIDUALS IS PARAMOUNT TO A LETHAL UNIT. SOLDIERS AND UNITS THAT ARE NOT PERSISTENTLY DRIVEN ACADEMICALLY DO NOT PRODUCE BATTLEFIELD EFFECTS AS EFFICIENTLY.

THE COMMANDER DRIVES THIS PROFESSIONAL DEVELOPMENT THROUGH CONTINUOUS ANNUAL ENGAGEMENTS. THIS IS DONE IN CONJUNCTION WITH ROUTINE PERFORMANCE COUNSELINGS AND EVALUATIONS THAT CONTINUOUSLY ASSIST SOLDIERS WITH PERSONAL DEVELOPMENT GOALS.

THE COMMANDER IS CHARGED AS THE ACADEMIC DRIVER OF THEIR UNIT. THIS IS PLANNED AND EXECUTED IN COORDINATION WITH ALL UNIT LEADERS; FROM THE SQUAD LEADER TO THE FIRST SERGEANT.

1. **Purpose:** The most important training we do in the leader domain is leader development. Leader development is the process through which leaders gain the knowledge, and attitudes needed to lead, train, and employ units and organizations at increasing levels of responsibility. Alpha Company honors the military profession and works to develop leaders under the Be, Know, Do framework and core competencies as outlined in Army Field Manual 6-22 and Army Doctrine Publication 6-22. In conjunction with performance counseling, company leader development programs, self-development, and institutional development, this program aims to increase readiness in the leader domain.

FIRST PARAGRAPH OUTLINES THE
PURPOSE OF THIS DOCUMENT

Method: Alpha's Leader Development Program Course Outline covers the period from FY55Q4 through FY56Q1 and consists of 9 LDP Events. These events are led by the Platoon Leaders/Platoon Sergeants and Company Commander. All members of the company are encouraged to attend in conference. The glidepath for these events is depicted below (Fig 1.1) and is designed around the continued development of attributes and competencies as defined in the Army Leadership Requirements Model (Fig 1.2). A sample method for presenting material and creating dialogue between the host and attendees is included in Enclosures 1 and 2. The **Standard Training Method** is used to develop each event. Events should last from 1 to 1.5 hours. The material is sent to the company executive officer for review no later than 7 days prior to the event, with a final read-ahead sent to all attendees 7 days prior to each event, to include time, location and uniform. An After Action Review will be filed with the final product on record within the company website and digital records database no later than 7 days following completion of each event.
